My name is David and I am from Spain. I only spent 2 weeks at CCE but I enjoyed it a lot. I felt comfortable. The staff were very kind, funny and polite. The students were nice too! "I recommend CCE to everybody who wants to learn English, and why not in Cairns?" It is a really good place. The first reason I chose Cairns was because I really like diving and for the next 3 weeks I am going on a dive boat. Unfortunately I have to go back home soon. I must work. Perhaps I'll be back in Cairns again soon. See you soon! Kisses!
