Upper-Intermediate

**31st of May, 2010 to

My name is Niklas and I am from Germany. I spent 4 weeks at CCE and I really enjoyed my time here. I met a lot of nice people and together we went on trips and to the Cairns esplanade. On Friday's we had BBQ's which I really enjoyed and it was a good way to meet new friends. I recommend CCE to anyone who wants to study English. Cairns is a nice city and you should definitely go diving on the Great Barrier Reef. It is awesome! Unfortunately I have to leave Australia soon but I love the country and I know I will come back! See you then!
