

**Sho
ASANO**

INTERMEDIATE

**3rd of May to
4th of June, 2010**

I didn't like studying before, but after CCE, I LOVE studying now! I can talk to people from many different countries and we can laugh together! This is fantastic! English is fantastic! I am sad because I noticed that English is fun to study too late! I will never stop studying!

Thank you CCE!
CCE changed my life!
